Dear Citizen:

Welcome and thank you for taking the time to attend this Public Information Meeting on the City's planned 2010 Capital Sidewalk Projects. The City of Dunwoody is considering installing sidewalk at the above locations. These projects are part of the City's long-range sidewalk improvement plan and were selected for funding this year based on many factors. More information about the City's sidewalk plan can be found on the City's website: [www.dunwoodyga.gov](http://www.dunwoodyga.gov).

As you enter the room you will find identical displays on either side of the room with information about the projects. Public Works staff will be stationed around each of the displays to provide information and answer questions. There will not be a formal presentation. We encourage you to review the display information and discuss any question or concerns you may have with the City staff.

Comment cards are also available near the entrance to the room. If you would like to provide written feedback to the City please complete one of these cards and place it in the box provided. Alternatively, you may mail the card at a later date or send an email to the City's Public Works department at [public.works@dunwoodyga.gov](mailto:public.works@dunwoodyga.gov). We ask that all comments for this project be submitted by September 10, 2010.

We appreciate your participation in this process.

Sincerely,

Michael Smith  
Public Works Director  
City of Dunwoody
